

Wisconsin Waiver Services for Children Post Adoption

Last updated August 2023

The following list is provided as informational purposes only. Inclusion on this list is not to be construed as endorsement by the Wisconsin Family Connections Center, the Coalition for Children, Youth & Families, or their funders.

If you have information you would like added, updated, or removed, please contact the Wisconsin Family Connections Center staff at info@wifamilyconnectionscenter.org or 800-762-8063.

[Katie Beckett Program](#)—Allows children with long-term developmental disabilities, severe emotional disturbances, physical disabilities, or chronic medical illnesses living in the home to acquire a Wisconsin Medicaid card, regardless of income.

[Children's Community Options Program](#)—Provides support through different community services that are not available through other programs with the assistance of Community Options Care Managers. Services are offered to individuals with developmental and physical disabilities and severe emotional disturbances.

[Children's Long-Term Support Medicaid Waiver Programs](#)—Federal, state, and county funded Medical Assistance waiver programs for children and youth under the age of 22 who have severe developmental or physical disabilities or severe emotional disturbances.
