

Live Webinar — Get Ready: An Introduction to Children's Long-Term Support Program

Thursday, April 17, 2025 | 12:00 PM - 1:30 PM

What if you could have help paying for supplies, services, and support for the child in your care beyond what private health insurance or Medicaid covers? Under the Children's Long-Term Support Program (CLTS) you could.

The Family Voices of Wisconsin staff worked closely with several diverse community groups and received feedback from nearly 100 Wisconsin parents to develop this training. They are ready to share with you how other families learned to best navigate the application, the screening and enrollment process of the CLTS program, and the role of a Support and Service Coordinator so you can get the most comprehensive support for the children in your care and your entire family. Join us to learn about Wisconsin's CLTS Program and be prepared to get the most out of this valuable program.
