

Live Webinar—Building Strong Relationships: Parenting with Courage

Thursday, January 22, 2026 | 6:00 PM – 7:30 PM

Building strong relationships with the children in our care starts with us—the caregivers. This session will explore the concept of parenting with courage and the capacity to focus on courage as a parenting skill. Through self-reflection and values-based exploration activities, caregivers will reimagine a parenting perspective grounded in strength and without fear. This webinar is ideal for caregivers who are seeking personal growth and inspiration on their parenting journey.
